The Narragansett Electric Company
d/b/a National Grid
RIPUC Docket No. 5099
In Re: Gas Infrastructure, Safety, and Reliability Plan FY2022
Responses to the Commission's Ninth Set of Data Requests
Issued on February 26, 2021

PUC 9-1

Request:

Please reconcile the two different responses to meters purchased in FY 2021. PUC 6-18 page 3 indicates that 17,820 meters were purchased in FY 2021, while PUC 6-20 page 2 states that 14,089 meters were purchased in FY 2021.

Response:

The 17,820 meter purchases reflected in PUC 6-18 is the total number of meters to be purchased by the end of year in FY 2021. This total includes meters purchased to date and planned purchases for the remainder of fiscal year. The 14,089 meter purchases reflected in PUC 6-20 is the total number of meters purchased to date in FY 2021 only.
